2025 BE A GEM SPONSOR PACKAGE

FAVOR Piedmont is a 501c3 organization that assists individuals in finding their unique pathway to recovery by offering peer led recovery groups and individual recovery support sessions with Certified Peer Support Specialists. Our goal is for individuals to improve their health and wellness, live a self-directed life and strive to reach their full potential.

As a sponsor you make all our events and services fee-free. FAVOR Piedmont relies on funding from sponsorships, grants, and donors like you to continue to be able to provide services FREE for our community.

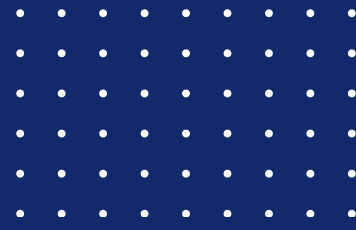

WHO WE ARE

FAVOR Piedmont is a 501c3 organization that provides essential community services and events to raise awareness and offer hope, continuing our fight to advocate and end stigma associated with substance use disorders. FAVOR Piedmont assists individuals in finding their unique pathway to recovery by offering peer led recovery groups and individual recovery support sessions with Certified Peer Support Specialists

Our Vision: Faces and Voices of Recovery Tri-County (FAVOR TriCounty) envisions community coalitions working together to achieve a recovery-oriented system of care for individuals and families impacted by substance use disorders (SUD).

Our Mission: FAVOR TriCounty promotes long-term recovery from substance use disorders through peer-based recovery support services, education, advocacy, and recovery support services resulting in healthier individuals, families, and communities.

OUR SERVICES

Walk-in & Self-Referral Peer Support

At FAVOR Piedmont, we believe that recovery starts with connection. Our Walk-In & Self-Referral Program provides immediate, no-barrier access to Peer Recovery Coaching and

support meetings for individuals who are in or seeking recovery. Whether you are taking your first steps toward recovery or looking for continued support, our Certified Peer Support Specialists and Recovery Coaches are here to help. We offer one-on-one coaching, virtual and in-person peer support, and specialized recovery meetings to help individuals build a self-directed recovery pathway that fits their unique needs.

Family & Friends Support

Substance use disorder (SUD) and recovery impact not just the individual, but the entire family system. At FAVOR Piedmont, we recognize that family members, friends, and loved ones

play a critical role in supporting recovery—but they, too, need support, education, and resources to navigate this journey.

Resource Brokerage

At FAVOR Piedmont, our Certified Community Health Workers (CHWs) serve as a bridge between individuals and vital health and

wellness resources, ensuring accessible, culturally responsive support for those in need. CHWs empower, coordinate, educate, and advocate—addressing the social determinants of health that impact recovery and overall well-being.

Harm Reduction Events

At FAVOR Piedmont, we are committed to harm reduction as a lifesaving, evidence-based approach to substance use and recovery. Our Harm

Reduction Events & Activities focus on education, advocacy, and direct support, ensuring that individuals have access to tools and resources that reduce risks and empower recovery.
